

April 30, 2024

TO WHOM IT MAY CONCERN

This is to certify that Mr. Deepak Kumar was employed with PRM Digital from November 15, 2023, to April 30, 2024, as a React JS Trainee.

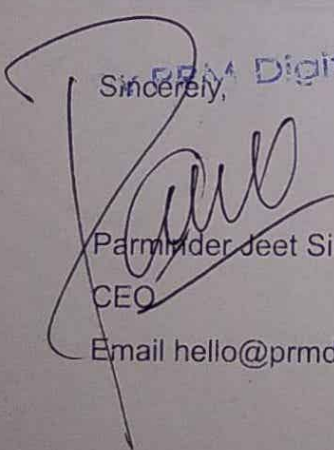

During his tenure with us, Mr. Deepak Kumar was responsible for developing and implementing user interface components using React.js concepts and workflows such as Redux, Hooks, and Webpack. He collaborated with the design team to translate visual concepts into functional online experiences, and he contributed to the front-end architecture for various applications including dynamic web applications, internal tools, and consumer-facing websites. His ability to write efficient code and his keen eye for detail in front-end development were instrumental in enhancing user experience and interactivity.

His contributions have been valuable and he leaves with a good record. We found him to be a diligent and hardworking individual, who was often ready to put extra effort into his work. His creative abilities and systematic approach to solving problems were highly appreciated.

We wish Mr. Deepak Kumar all the best in his future endeavors.

Should you have any further questions regarding his employment with us or his job performance, please feel free to contact us.

Sincerely,

Parminder Jeet Singh
CEO
